Dear Mr. Stevens,

News of Fred's death reached me from a Press clipping sent by a friend, but I was unaware of your address until advised by Hudson Dryph.

I extend to you my sincere sympathy and I shall always remember him as one of the grandest characters I have ever met.

Behind an unassuming and retiring nature he was a person of great determination, ability, high integrity, loyalty and dedication to duty. One could trust and rely on him absolutely.

I have often spoken of him and feel the richer for having known and been associated with him over years of flying together.

With cordial regards and all good wishes.

Yours sincerely
Lester Brain.
